about

Hello, I'm Nina; an artist and designer based in south London, making colourful gifts and dopamine decor.

Nina Bombina as a brand was born out of the Covid lockdown and began with a range of cards featuring Black and brown characters, as they are often underrepresented in the greetings card industry. My repertoire grew to include prints, tea towels, notebooks and more, and I am currently expanding on my range of products.

The aim of my vibrant and unique creations is to uplift people and bring a sense of joy. My style is colourful, maximalist and fun. More is more!

I sell my products online, at artisan markets and pop-ups, and in shops in the UK and beyond.

My products and I have been featured by various organisations, some of which are listed below.
