Hello, I'm Nina; an artist, maker and designer based in south London where I make colourful, cheerful and unique gifts and homeware.

Nina Bombina as a brand was born out of the 2020 Covid 19 lockdown and began with a range of cards featuring Black and brown characters, as they are often underrepresented in the greetings card industry.

My repertoire grew to include prints, candles, candle holders and more, and I am currently expanding on my range of products.

I'm like a magpie; entranced by bright colours and shiny things! Everything I make is vibrant and maximalist, and I like to convey a feel of magic.

My products and I have been featured by various organisations, some of which are listed below.
